Eligibility

The Community Grant Program provides annual and multi-year grants to Mississauga-based, not-for-profit community groups to deliver programs and services that keep Mississauga residents active, healthy and engaged in their communities. The program aligns with the strategic priorities of the Recreation Division and Parks, Forestry and Environment Division, including the [Recreation Master Plan](#), [Older Adult Plan for Recreation](#), [Youth Plan for Recreation](#), [Urban Agriculture Strategy](#), [Parks and Forestry Master Plan](#), [Climate Change Action Plan](#), and contributes to advancing the [City's strategic priorities](#); Move, Belong, Connect, Prosper and Green.

Applicants are encouraged to consider how grant funds can increase resident engagement for significant dates for the Mississauga community, including Black History Month (February), International Women's Day (March 8), Asian and South Asian Heritage Month (May), Pride Month (June), Indigenous History Month (June), National Indigenous Peoples Day (June 21), and National Day for Truth & Reconciliation (September 30) to name a few.

In 2024, the City of Mississauga celebrates its 50th anniversary. This anniversary marks the City of Mississauga's incorporation in 1974. A part of the Treaty and Traditional Territory of the Mississaugas of the Credit First Nation, The Haudenosaunee Confederacy, the Huron-Wendat and Wyandot Nations, Mississauga is one of Canada's largest and most diverse cities. The City of Mississauga will celebrate its 50th anniversary with themed activities planned throughout the year. Residents and community groups are encouraged to add to the celebrations with their own unique grassroots events and activities. Groups currently applying for grant streams in 2024 can align their activities with Mississauga's 50th anniversary, provided the application meets the requirements of the grant guidelines.

Two funding streams are available:

Annual Community Grants provide up to \$10,000 to support operating or program-related expenses for organizations and initiatives that extend the variety and choice of community programs and services for Mississauga residents and be delivered successfully within the scope of one calendar year.

Multi-Year Community Grants contribute to the sustainability of organizations by providing support for core operating expenses. They are available by invitation only. Organizations invited to apply for a multi-year grant must demonstrate the return on investment (ROI) from previous grants and provide clearly defined and quantifiable organizational targets and Key Performance Indicators (KPI) for their proposed multi-year grant.

To be eligible for a City of Mississauga Community Grant, organizations are required to:

- ✓ Be a not-for-profit community group in operation for a minimum of 4 years. If you are a new and emerging community group (i.e. operating for less than 4 years), please consult our [Small Project Matching Grants](#) program for funding opportunities;
- ✓ Provide and/or support recreation and sport, or parks, forestry and environment activities and programs.

- ✓ Be based and active in Mississauga, and operating year-round (note: groups that qualify for “Regional Status” in the Community Group Registry Program are still eligible for funding, provided 100% of the awarded grant funds are allocated to programming/services for Mississauga residents.)

In addition to these requirements, applicants must be registered in good standing in the City of Mississauga [Community Group Registry Program](#) in order to receive funding through the Community Grants Program. Should your organization need to register or have questions about your status, please visit <http://www.mississauga.ca/communitygroups> or contact: community.group@mississauga.ca. Note that new registrations can take up to 6 weeks to process so please keep this timeline in mind when considering an application to the Small Projects Matching Grant Program.

All eligible applications are reviewed and evaluated by the Review Committee and City of Mississauga Corporate Financial Services staff. The Review Committee consists of practicing professionals and residents who are not directly involved with any organization applying for funding; members are approved by Council for a 4-year term. The Review Committee is responsible for scoring applications based on the criteria provided throughout this guideline and recommending an organization for funding and at what amount.

Corporate Financial Services staff will review information from applicants to determine their financial viability and/or identify any significant variances from prior annual statements of existing grant recipients. Some areas of analysis that the Financial Analyst will review include: the organization's liquidity and cash flows, patterns of financial results year over year, changes in net assets and reserve funds, and the sustainability of the organization's funding base.
