

# Feeding wildlife is an offence with fines up to \$100,000

(By-law 0098-2004)

It causes them to gather in large numbers, nest and perch on balconies and rooftops, causing a build up of feces.

## Pigeon problems?

- Remove food sources (i.e. bird feeders)
- Clear balconies of debris
- Check for signs of nesting
- Remove nesting materials
- Alert building management
