

## **SAFETY ACKNOWLEDGEMENT FORM**

1. The Bidder acknowledges its duties as “Employer”, “Supervisor” and “Constructor” under the provisions of the *Occupational Health and Safety Act*, as amended, and under any other applicable health and safety laws, codes and regulations and, in particular, the Bidder represents and warrants in favour of the City of Mississauga (“City”) that it shall take every precaution reasonable under the circumstances for the protection of all employees and workers.
2. The Bidder acknowledges possession of a copy of the *Occupational Health and Safety Act*, as amended, and all other health and safety laws, codes and regulations applicable to the Contract and represents and warrants in favour of the City that it shall co-ordinate the activities of all employees and workers operating under the Contract to ensure that the requirements of the *Occupational Health and Safety Act*, as amended, and all such other laws, codes and regulations are satisfied.
3. Without limiting the generality of the foregoing, the Bidder represents and warrants in favour of the City that it shall ensure that all workers, including sub-contractors and brokers, are trained to perform the tasks assigned to them in a safe manner that complies with all applicable laws, codes, regulations and requirements of authorities having jurisdiction.
4. Without limiting the generality of the following, the Bidder represents and warrants in favour of the City that, throughout the term of the Contract, the Bidder shall be knowledgeable of, shall keep up-to-date with, shall comply with, and shall be responsible for ensuring that all the provisions of statutes, codes, regulations, and by-laws pertaining to the safe performance of the work under the Contract are observed and enforced and that the methods of performing the work do not endanger the personnel employed thereon, City personnel and the general public.
5. The Bidder accepts responsibility for all delays in the progress of work under the Contract due to a violation of health and safety requirements and shall take all steps necessary to avoid delays in the completion of the work.
6. The Bidder agrees to indemnify and hold the City harmless for all costs that the City may incur in respect of violations of the *Occupational Health & Safety Act*, as amended, and any other applicable health and safety law, code, regulation or requirement.

**SAFETY ACKNOWLEDGEMENT FORM**

7. The Bidder agrees to submit all required documentation upon the request of the City.
