School Walking Routes Program

Mississauga's [School Walking Routes Program](#) provides support to schools to encourage walking and rolling to and from school. Walking, cycling, scootering, and other forms of active travel are all great for your health, the environment and reducing traffic; they're a lot of fun, too! This spring, the following schools are taking part: Kindree, St. Albert of Jerusalem, Corliss, and Artesian Drive. Way to go!

Students, teachers, and parents at Kindree and St. Albert of Jerusalem launch morning
