What is an application for Consent?

The owner of land or a person authorized in writing by the owner who wishes to convey part of their land may apply to the Committee of Adjustment for "Consent" to convey the land.

The *Planning Act* requires property owners to obtain "Consent" approval before conveying part of their property. Approval is also required when the terms of an agreement, such as a lease, easement or mortgage commits the land to a use for a period in excess of 21 years.

The power under the *Planning Act* to give "Consent" has been delegated to the Committee of Adjustment, The Committee is composed of seven members who are appointed by the Council of the City of Mississauga. The authority of the Committee is set out in the *Planning Act* (Provincial Statute).

How do I apply?

If you wish to apply to the Committee of Adjustment, you must fully complete the "Consent" application form in full and submit the completed form along with the appropriate drawings which meet the minimum requirements set out in the "Checklist" located on page 2. If you are acting as an agent for the purposes of submitting the application, a letter of authorization is required from the registered owners of the property.

Applications are submitted by email to cofa.applications@mississauga.ca

If an application must be made in person, it is by appointment only at the Clerk's Office, 300 City Centre Drive, 2nd Floor.

How much will it cost?

The processing fee for a "Consent" application to the Committee of Adjustment is noted on the first page of the application package. The first certificate of consent is included in the application. There is a fee for additional certificates.

Once an application is deemed complete, staff will advise of the appropriate fee. Fees may be paid online by Visa, MasterCard, American Express or debit card. If paying by cheque, please make it payable to: "Treasurer of the City of Mississauga".

Conservation Authority fees may be required if the subject property is located within an area under their control, and must be paid directly to the applicable authority. Please contact them for more information:

What happens next?

The Committee of Adjustment office prepares a Notice of Public Hearing which includes the details of your request for "Consent" and the date, time and place of the Public Hearing.

A notice sign is to be placed on the subject property by the applicant, and the Notice of Public Hearing is mailed to every owner within a 60 m (200 ft.) radius of the subject lands at least 14 days prior to the Committee Hearing.

The Notice of Public Hearing is also distributed to all City Departments, Members of Council, other outside agencies, the property owner and the authorized agent (if applicable).

The applicant or authorized agent may request a copy of staff comments and any other comments received prior to the public hearing.

What happens at the hearing?

At the Public Hearing you or your authorized agent will be required to make a verbal presentation of your case to the Committee. Presentations may also be made by any other interested parties in support of or in objection to your application.

The Committee considers all presentations for and against your proposal and renders a verbal decision in the presence of all interested parties at the time of the Public Hearing. An approval of your application may be subject to such conditions and/or restrictions as the Committee deems appropriate.

An individual may request to receive a copy of a Committee decision by email or in writing. When the Public Hearings are held in person, a form entitled "Request for Decision" is available at the Hearings or in the Committee of Adjustment Office.

To find out more about a particular application, contact us at <u>committee.adjustment@mississauga.ca</u> or 905-615-3200 x 2408.

What happens after the hearing?

A written decision from the Committee will be sent to the applicant, authorized agent and all persons that requested a copy of the decision and changes to conditions by mail within 15 days from the date of the hearing. At the end of the 20 day appeal period, if there has been no appeal filed, the decision will become final and a notice to this effect will be issued.

If the application is approved by the Committee of Adjustment and all conditions have been fulfilled within two years of the mailing date of the decision, the Secretary-Treasurer will issue a Certificate. If the conditions are not fulfilled within this time period the application is deemed to be refused and the decision will lapse.

It should be noted that if the Certificate of the Secretary-Treasurer is not used for a transaction (i.e. transfer of title) within a two year period from the date on the Certificate, the Certificate will lapse and a new Consent application will be required.

Changing Conditions

The Committee of Adjustment may also change conditions of approval at any time before the Secretary-Treasurer's Certificate is issued or before the Committee's decision lapses. Written notice of the changes to the conditions will be given to all persons who had requested a notice of decision and changes to conditions of the Committee of Adjustment in writing. Please contact the Committee Office for further details.

Appeal Provisions

The decision of the Committee of Adjustment, or any condition imposed, is subject to appeal within 20 days from the date the decision is signed by the Committee Members. (Please note: The decision is signed one week following the hearing date). During the appeal period the applicant, the municipality, certain public bodies and the Minister may file an appeal of the Committee's decision to the Ontario Land Tribunal (OLT). The notice of appeal is filed with the Secretary-Treasurer of the Committee of Adjustment.

The notice of appeal must be in writing and outline the reasons for the objection.

Payment of both the OLT fee and the City's administration fee may be done online. Proof of payment to the OLT is required with submission. If preferred, a certified cheque or money order may be included with a notice of appeal form which is available at https://olt.gov.on.ca/appeals-process/forms/. It is highly recommended to confirm the fee with the OLT prior to submission.

If paid by cheque, the City's administration fee to be paid for each application appealed, should be submitted with the appeal package, and made payable to the "Treasurer of City of Mississauga".

The notice of appeal, the fees and all required documents will be forwarded by the Secretary-Treasurer to the OLT. Once the OLT is in possession of the appeal package, all inquiries will be handled through their office.

Once the OLT has issued its Decision/Order to approve the severance and after all conditions imposed by the OLT have been fulfilled within two years of the Tribunal's Order, the Secretary-Treasurer of the Committee of Adjustment will issue a Certificate. (See "What happens after the meeting?" above.)

Other Powers of the Committee of Adjustment

In addition to "Consent", the Committee of Adjustment has also been delegated the power to issue a "Certificate of Validation" and to give "Approval for Foreclosure or the Exercise of Power of Sale".

A "Certificate of Validation" is required where there has been or there is a violation of the *Planning Act* which affects the title of the land and the beneficial owner is not the "paper" title owner. Upon application, the Committee of Adjustment may issue a "Certificate of Validation" if the application complies with the Official Plan and the Zoning Bylaw. The Committee of Adjustment may also impose conditions which are to be fulfilled before the Certificate is issued.

An "Approval for Foreclosure or the Exercise of Power of Sale" with respect to a mortgage or charge is required where the mortgagee (owner) does not have the power to sell part of the land (due to legal action taken against the "owner") and the mortgagor (the "bank") does not own all the land in order to be able to make an application for "Consent". Upon application, the Committee of Adjustment may give "Approval of Foreclosure or the Exercise of Power of Sale" with respect to a mortgage or charge if the application complies with the Official Plan and the Zoning Bylaw.

There is no appeal to the Ontario Land Tribunal from the decision of the Committee of Adjustment with respect to an application for a "Certificate of Validation" or the "Approval for Foreclosure or the Exercise of Power of Sale".

SOME MATTERS USUALLY ADDRESSED

The Committee, having regard for comments received, recommendations made, evidence presented, and the by-laws and policies of the City of Mississauga, may impose conditions on favourably considered applications for **Consent**.

Noted below are some of the matters typically addressed by the Committee through conditions:

- Preparation of the reference (survey) plan
- Payment of money in lieu of conveyance of land for parks or other public recreational purposes
- Gratuitous conveyance of land for road widening
- Approval from a Conservation Authority (if required)
- Provision of adequate services.
- Compliance with the Zoning By-law.

The above information is related to conditions in general and should you wish to receive specific information related to an application please contact the Committee of Adjustment office.

All applications for Consent should be based on an up to date survey from an Ontario Land Surveyor (OLS).

If there are structures to remain on the subject property, a Preliminary Zoning Review is recommended prior to submission of this application at https://eplans.mississauga.ca

To obtain application forms for "Certificate of Validation" or for "Approval for Foreclosure of or Exercise of a Power of Sale in a Mortgage or Charge", please contact the Committee of Adjustment office.
