

**Construction of Noise Attenuation Wall  
on Rathburn Road East at Fieldgate Drive  
(Rathburn Road and Ponytrail Drive Integrated Road Project)**

Construction Work Commences: On or after **January 29, 2024**

**Scope of Work**

The City of Mississauga will be constructing a new concrete noise attenuation wall along the rear or side of your property. Construction includes pruning and removal of trees, removal of the existing fence, installation of temporary fence and the installation of the new concrete noise wall with all restoration work required. There is no direct costs to you, for the removal and replacement of the noise attenuation barrier. All work including the removal of the existing fence will be undertaken by the City contractor.

We ask residents to **please remove any attachment such as vegetation, sheds, planters, or irrigation heads that are connected to the existing fence or within one (1) metre of the existing fence.** If they are damaged, they will **not** be reinstated or repaired by the City. The City of Mississauga accepts no responsibility for any damages to private fixtures placed on the existing wall or on City property.

**What to Expect During Construction**

<b>Impacts</b>	There will be some construction related dust, noise and traffic delays. The City will make every effort to reduce the impacts. We appreciate your patience and cooperation.	
<b>Work Hours</b>	Work will occur between 7:00 a.m. to 7:00 p.m., Monday to Friday.	
<b>Traffic</b>	<b>Roads</b>	Temporary daily lane closures may be needed for delivery of equipment and materials.

<b>Pedestrians</b>	<b>Sidewalks</b>	Sidewalks in the vicinity of the construction area will be closed during the duration of construction.
<b>Trees</b>	Pruning and removal of trees will be required.	
<b>Parking</b>	On-street parking in the vicinity of the construction area is prohibited at all times.	
<b>Restoration Works</b>	The construction site will be restored after construction has been completed and will be dependent on weather.	
<b>Utility Disruptions</b>	Temporary disruptions to utilities (i.e. gas, hydro, water, telecommunications and cable TV) may be experienced. Every effort will be made to promptly restore service.	
<b>Irrigation Heads/Sprinkler Lines</b>	Irrigation heads, sprinkler lines and/or other private fixtures (including decorative fencing) that may interfere with these work located on City's property <b>must be removed by residents and/or private property owners prior to construction</b> . Irrigation heads and sprinkler lines and/or other fixtures will not be reinstalled by the City and the City accepts no responsibility for any damages to private fixtures placed on City property.	
<b>Inclement Weather</b>	Inclement weather may impact the installation of the noise walls at some locations. Construction sequencing may vary. Delays may be experienced.
