Land Acknowledgment

We acknowledge the lands which constitute the present-day City of Mississauga as being part of the Treaty and Traditional Territory of the Mississaugas of the Credit First Nation, The Haudenosaunee Confederacy, the Huron-Wendat and Wyandot Nations. We recognize these peoples and their ancestors as peoples who inhabited these lands since time immemorial. The City of Mississauga is home to many global Indigenous Peoples.

Overview

The Small Projects Grant Program (SPG) provides funding to not-for-profit, community organizations and Business Improvement Areas (BIAs), that are registered in the City of Mississauga's [Community Group Registry Program](#). This grant supports organizations to deliver programs and services that keep Mississauga residents active, healthy and engaged in their communities.

The Small Projects Grant Program aligns with the [Future Directions: Recreation Plan](#) and [Future Directions: Parks, Forestry & Environment Plan](#)'s strategic priorities. Read the [full plans here](#) for more information to help construct a grant proposal.

Applicants can request funding up to \$2,500 to support project or program-related expenses for organizations that extend the variety and choice of programs and services for Mississauga residents and can be delivered successfully by December 31, 2027.

What does the SPG support?

Here are some examples of projects and activities that applicants can consider applying for:

- Community building activities, such as events to meet neighbours and make connections, workshops and skill building activities (e.g. digital skills, leadership, mentorship training etc.)
- Active living and physical health programs and events
- Improvements or changes to enhance existing programs, reach new audiences and remove barriers to participation
- New programs and/or services

NOTE: Applicants are encouraged to apply for funding that supports new programs or services. For projects previously approved or proposed again, or for projects that are part of regular programming, applicants must demonstrate growth or improvement, such as reaching a new audience, introducing a new activity, or implementing an enhancement.

Application deadline

All applications must be complete and submitted online through the City's [Grants Portal](#) no later than **Friday, October 9, 2026, by 4:30 p.m. EST**. Late or incomplete applications, including applications not submitted correctly through the grants portal, will not be accepted.

For questions or application support, please contact grantsinfo@mississauga.ca.

About the Community Group Registry Program (CGRP)

The CGRP supports not-for-profit community groups governed by volunteers that deliver programs and services within Mississauga that benefit residents. The CGRP's benefits complement grant funding by reducing costs to help organizations maximize their community impact.

Becoming a registered group gives you access to:

- Discounts to rent space at City facilities;
- Permission to place promotional mobile signs next to City roads;
- General liability insurance through the City's affiliate insurance program, if eligible;
- Community grants and funding.

Groups can apply any time by completing a [Statement of Interest](#) to begin the application process and staff be in touch directly regarding next steps. The benefits can be accessed year-round.

To be eligible for a Small Projects Grant, applicants must be registered and in good standing with the Community Group Registry Program. If your organization is not already registered, you must complete a Statement of Interest by **Friday, September 25, 2026**. For more information, please consult the [Community Group Registry Program webpage](#) or contact community.group@mississauga.ca.

Equity statement

The City of Mississauga is committed to [equity and inclusion](#). The City welcomes and encourages applications from all qualified organizations that represent and serve Mississauga residents. Groups are encouraged to contact grantsinfo@mississauga.ca with any questions about your eligibility and for guidance to prepare your application.

The City continuously seeks to improve access to grant programs and ensure grant applications are received from diverse and under-represented Mississauga communities. The City welcomes feedback on how this grant program can better meet the needs of Mississauga residents.

Eligibility

The Small Projects Grant Program is only open to Registered Groups that are in good standing with the City under the [Community Group Registry Program Policy \(08-01-01\)](#) and Business Improvement Areas (BIA).

Applicants must:

- Be located and active in Mississauga and operate year-round. Groups that qualify for "Regional Status" in the CGRP are still eligible for funding, provided that 100% of

the awarded funding is allocated to programming/services that benefit Mississauga residents.

- In good standing with the City – have no outstanding debts owed to the City, submitted all final reports from previous City grants and adhere to the terms and conditions of previous funding agreements.
- Have no major deficits.
- Be providing programs and services open to the public and intended only for Mississauga residents.

Applications sponsored by registered groups

Applications may be submitted by informal groups of residents or other community groups if the **project is sponsored** by a Registered Group in good standing with the City at the time of application. Registered Groups that have agreed to act as a sponsor may sponsor up to two SPG applications per year, and the sponsoring group is responsible for ensuring the application is submitted and completing the final report.

Organizations that currently receive funding from a City grant program are still eligible to sponsor an application, as long as they do not directly benefit from SPG funding.

The sponsoring organization will then be required to:

1. Submit the online application on behalf of the project team (or ensure its completion);
2. Act as a Trustee for the funding; and
3. Complete the online final report form on behalf of the project team following the completion of the project.

Sponsor organizations may not charge a fee for their sponsorship or collect any of the awarded funding for the project in their role as a Trustee. Sponsor organizations can only sponsor two applications to the Small Projects Grant Program for 2027. City of Mississauga Business Improvement Associations (BIAs) may apply either as a primary applicant or sponsor another organization.
