

# ANAKA PARK + ASCENSION of OUR LORD CSS

Lit 4-Lane Track and Multi-Use Artificial Turf Field  
Playground Renewal & New Outdoor Fitness Cluster

- ▶ Modified IAAF Lit 4-Lane Synthetic Track
- ▶ Multi-use Artificial Turf Field
- ▶ 100m Dash and Hurdle
- ▶ FIFA International Soccer
- ▶ Field Lacrosse
- ▶ Field Hockey
- ▶ Long Jump/ Triple Jump

# Shared Use & Benefits of Artificial Turf Fields

- ▶ School/ Community Shared Use: Public access at non-school hours (evening, weekend & summer that is not permitted out for events) to support residents' exercise needs
- ▶ The field can be used continuously, 7 days a week without rest or repair; immediately following storms, and in all seasons
- ▶ This eliminates the primary issue with natural turf fields that are often not available for use in the spring and fall.

# LED Sports Lighting

- ▶ Modern lighting systems can cut-off very sharply at the edges of a field or track – to dark within a few metres. They also have minimal light spillage.
- ▶ LED is far more energy efficient than HID and is instant on without warmup period.
- ▶ LED provides a purer colour output that simulates daylight unlike HID which can vary and tend to be warmer in colour. It is superior with respect to visibility

- ▶ NEW ACCESSIBLE PLAYGROUND
- ▶ Inclusive design with varied challenges & sensory elements
- ▶ Accessible play safety surface
- ▶ Additional Seating
- ▶ Sandbox
- ▶ Ground-level play elements
- ▶ Accessible wide pathway

- ▶ NEW OUTDOOR FITNESS CLUSTER
- ▶ Accessible Fitness
- ▶ New Seating and Bench Fit
- ▶ Variety of equipment targeting different muscle groups and fitness goals.
- ▶ Accommodate people of all ages, abilities, and fitness levels.
- ▶ Exercising outdoors provides Health & Wellness benefits like fresh air, scenic views, and exposure to sunlight.
- ▶ Community gathering spot for exercise and socializing, promoting a sense of belonging and encouraging healthy lifestyles.
