## IMPORTANT INFORMATION TO THE APPLICANT

1. **Work on City Rights of Way is not permissible without a Road Occupancy Permit.**
2. An application for this permit does not guarantee issuance. All ROP applications will be processed in the order in which we receive them.
3. The applicant must obtain the necessary approvals from all the appropriate authorities impacted by this application.
4. A copy of the approved permit must be available on the job site at the time of construction.
5. The applicant is required to obtain all locates pertaining to any construction within the municipal right-of-way.
6. The requirements of the "road occupancy" pertaining to any aspect of the approved permit shall be to the satisfaction of the Commissioner of Transportation and Works, **otherwise the job site will be closed until those requirements have been met.**
7. Any alterations to the approved permit must be approved by the Transportation and Works Department prior to such changes taking place

### 8. Insurance requirements

Proof of Insurance must be presented at the time of the permit application. Without valid proof of insurance, this application will not be processed and a permit will not be issued.

Evidence of insurance must be provided on a **City of Mississauga Certificate of Insurance Form "Construction Liability"** available in a fillable PDF format at [www.mississauga.ca/certificateofinsurance](http://www.mississauga.ca/certificateofinsurance) (with the exception of Storage where "Standard Liability" is required). The applicant's insurance provider or an authorized agent must complete, sign and stamp the form.

The completed work must reference the following insurance coverage:

- a) **Commercial General Liability Insurance** for all claims, demands, actions, and causes of action that may be taken or made against the Permit Holder, its employees or agents, for any loss of or damage to property, and personal injury including bodily injury or death, that may arise with respect to the permitted works or any acts or omissions relating to its obligations as set out in the permit. The insurance will include:

Non-owned automobile liability, contractual liability, owners' and contractors' protective liability, broad form property damage, product and completed operations, employees as additional insureds, contingent employer liability, cross liability and severability of interest clauses as well as sudden and accidental pollution liability insurance coverage, and no XCU exclusion (for works involving underground work);

Required Limits of Liability per occurrence are:

- i. General Construction - minimum of \$5,000,000
  - ii. Complex Construction and Site Protection - minimum \$10,000,000
  - iii. Ariel Crane Trespass - minimum of \$5,000,000
  - iv. Storage - minimum of \$2,000,000
- b) **Automobile Liability Insurance** with limits of not less than five million (\$5,000,000) dollars per occurrence. The policy must provide coverage for bodily injury or property damage arising out of the ownership, use or operation of all owned and/or leased automobiles of the Applicant. **NOTE: It is the responsibility of the Applicant to obtain evidence of Automobile Insurance as stated above for any and all automobiles owned, and/or leased by contractors or subcontractors and used in the performance of the works, as outlined in this Agreement.**
  - c) **Environment Impairment Liability Insurance** in the amount of five million (\$5,000,000) dollars is required for **Complex Construction and Site Protection Permits.**
  - d) In the location and description of work/activity field, indicate if the permit is specific to a site. If work is ongoing throughout the year at various locations, indicate "All Operations of the Named Insured relating to all works performed in the City of Mississauga for which a permit application has been submitted". Please note that permits can only be issued if there is a valid insurance certificate on hand.
  - e) Commercial General Liability Coverage requirements for Road Occupancy Permit are a **minimum of five million (\$5,000,000) dollars.**
  - f) Additional Insureds: **The City of Mississauga and the Region of Peel must be added**
  - g) For mailing address, use the drop down menu and select "Works Operations and Maintenance, 3185 Mavis Road". The certificate should be directed to the attention of "T&W Permit Administration Services", e-mail address [tw.pas@mississauga.ca](mailto:tw.pas@mississauga.ca).
  - h) The completed form referencing the works must be stamped and signed by the insurer or an authorized agent of the insurer.
  - i) For more information or any questions regarding Insurance Requirements, please contact Risk Management at [risk.management@mississauga.ca](mailto:risk.management@mississauga.ca).

9. Applicant must meet all conditions as set out in the permit, including *Road Occupancy Permit - General Conditions Applicable to All Permit Holders*. Road Occupancy General Conditions are available at <https://www.mississauga.ca/publication/road-occupancy-permit-general-terms-and-conditions/>

10. Fees: as per current User Fees and Charges By-law, available at <https://www.mississauga.ca/publication/general-fees-and-charges-by-law/>. Fees are subject to Harmonized Sales Tax (H.S.T.) where applicable. For questions about fees or method of payment contact 905-615-4950.

11. Maintenance Restoration Deposits: as per current/amended Road Occupancy Permit Bylaw 173-2020, available at <https://www.mississauga.ca/publication/road-occupancy-permit-by-law/>. Permanent restoration of City Rights of Way will be carried out by the City of Mississauga. All costs and fees associated with permanent restorations will be deducted from the Maintenance Restoration Deposit and/or invoiced. Security Deposits may apply and will be assessed on a permit-by-permit basis.
