May 2024

MISSISSAUGA

## RATHBURN ROAD AND PONYTRAIL DRIVE INTEGRATED ROAD PROJECT Temporary parking consideration on Garnetwood Chase

No parking is in effect on Rathburn Road East, east of Garnetwood Chase to the east limit of the road, to accommodate construction activities.

The 15-hour parking limit is temporarily suspended and the 15-hour parking signs are covered until construction is complete. As an alternative, the City has issued a parking consideration on Garnetwood Chase, which exempts vehicles from the 5-hour parking by-law and prohibited overnight parking. Motorists are welcome to park on Garnetwood Chase with no time restrictions. Once the project is complete, the 15-hour parking limit signs will be uncovered and parking may resume.

### Please note:

- Vehicles are not permitted to park within 1 meter of a private laneway or entrance.
- Vehicles are not permitted to park within 5 meters of an intersection.
- Vehicles are not permitted to park in prohibited areas.

All other bylaws are still enforceable.

Temporary parking permits may be suspended and reinstated at any time during snow clearing events. To find out if temporary parking permits have been suspended, follow @MississaugaSnow on Twitter or visit us online at [www.mississauga.ca/snow](http://www.mississauga.ca/snow)

Information signs are installed along Rathburn Road East to advise motorists of the new temporary parking consideration. **Please note, parking is prohibited through out the rest of the project site on Rathburn Road East and Ponytrail Drive during construction. Motorists are advised to refrain from stopping at construction zones.**

Please do not hesitate to contact us if you have any questions and/or concerns.
