

Notice of Intention to Pass a By-Law to Designate 24 Stavebank Road to be of Cultural Heritage Value and Interest Pursuant to the Provisions of the *Ontario Heritage Act* (R.S.O. 1990, Chapter 0.18)

Take Notice that the Council of The Corporation of the City of Mississauga intends to pass a by-law under Section 29 of the *Ontario Heritage Act*, R.S.O. 1990, Chapter 0.18, to designate the lands and premises located at 24 Stavebank Road in the City of Mississauga, in the Province of Ontario as of May 29, 2024 (GC-0269-2024).

24 Stavebank Road is a large church on the west side of Stavebank on the north side of High Street East.

Statement of Cultural Heritage Value or Interest

Built in 1927, the property has design and physical value as it is a rare example of Modern Gothic architecture in Mississauga. The property has historical value due to its association with a longstanding Presbyterian community and the significant Port Credit figures who established it. It is also valued for its memorialization of World War One soldiers and GTA and local architects Dolphin and Cotton. The property has contextual value as a landmark that is physically, functionally, visually and historically linked to its surroundings, including the 1925 cenotaph across the street. The church is also important in defining, maintaining and supporting the character – a campus of religious and recreational institutions on the east bank of the Credit River – of the area.
