26 Stavebank Road is a large church on the west side of Stavebank, south of Park Street East.

### **Statement of Cultural Heritage Value or Interest**

The property has design and physical value as it is a rare example of 1950s Contempo architecture in Mississauga. The property has historical value due to its association with a longstanding Anglican community and the significant Port Credit figures who established it. The property has contextual value as a landmark that is physically, functionally, visually and historically linked to its surroundings. The church is also important in defining, maintaining and supporting the character – a campus of religious and recreational institutions on the east bank of the Credit River – of the area.
