

## Cooksville Creek Erosion Control at Camilla Road

Construction scheduled to begin **on or after December 15, 2025**  
 Construction scheduled to be substantially completed **by June 30, 2026**

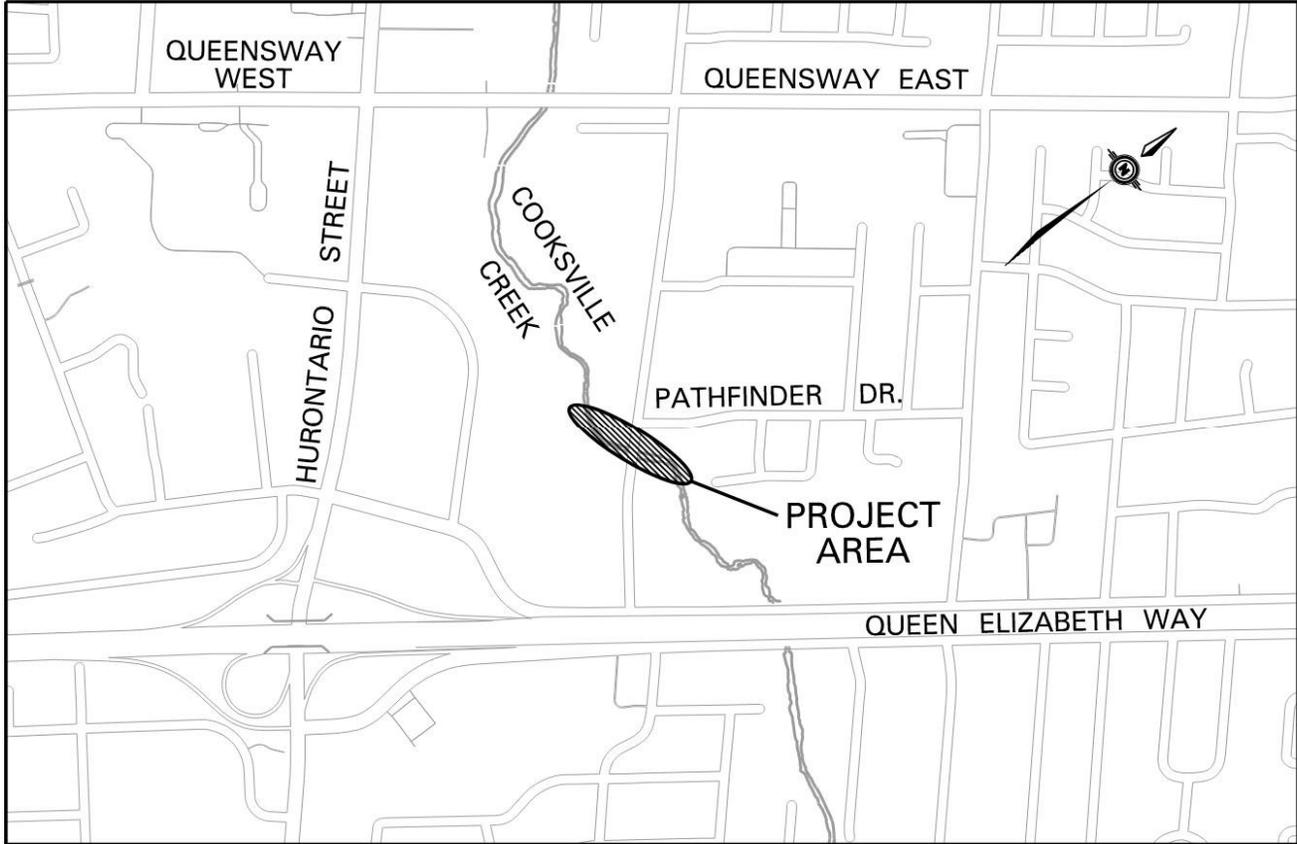

### Project Overview

The City of Mississauga will be rehabilitating Cooksville Creek at Camilla Road, as shown on the map on the reverse of this page. The purpose of the work is to mitigate the existing erosion problems and ensure long-term stability of the creek. The scope of work includes construction of creek channel bed, armour stone walls and vegetated buttress along channel to protect the banks, and restoration of work area.

### What to Expect During Construction

<b>Impact/ Safety</b>	The construction site will be completely fenced/blocked off throughout the duration of construction, with construction signs visibly in place. Dust, noise and other inconveniences may be experienced. The City will make every effort to reduce these impacts.	
<b>Work Hours</b>	Work will occur between 7:00 am and 7:00 pm, Monday to Friday. Saturday work will occur only if necessary. The contractor must adhere to the City’s noise by-law.	
<b>Parking</b>	On street parking will not be available on Camilla Road.	
<b>Traffic and Pedestrians</b>	<b>Road</b>	Intermittent road closures at Camilla Road at Cooksville Creek will occur during the project until the scheduled completion date. Please follow signs posted on site.
	<b>Sidewalks/Bike Lanes</b>	Sidewalk along Camilla Road at Cooksville Creek will be intermittently closed. Please follow signs posted on site.
	<b>Transit</b>	Temporary relocation of bus stop (ID 0741) on Camilla Road south of Pathfinder Drive to the north side of Pathfinder Drive.
<b>Utility Disruptions</b>	Temporary disruptions to utilities, i.e. gas, hydro, water, cable, telecommunications may be experienced. Every effort will be made to promptly restore services.	
<b>Driveways Access</b>	Driveway access to surrounding homes will not be impacted. Please know the City owned driveway located beside 2081 Camilla Road will be used as a staging area. Private vehicles are not permitted and must be moved from the area by December 15.	
<b>Restoration Works</b>	Tree removals are required for construction to occur. Once the channel works have been complete, tree planting and landscaping along the channel banks will be undertaken.	
<b>Inspections</b>	The Contractor, R&M Construction or their representative, may contact some residents on Camilla Road, Pathfinder Drive and Lorelei Road for pre-construction condition surveys.
