APPENDIX "A" TO BY-LAW NUMBER _____

Explanation of the Purpose and Effect of the By-law

The purpose of this By-law is to remove the existing “**D-4**” (**Development Zone**) designation and apply the “**H-RS-XXX**” (**Residential Small Lot – Exception with Holding Provision**) and “**G2**” (**Greenlands Zone**) designations to the subject property in order to permit the development of three single detached dwellings while protecting identified environmental features.

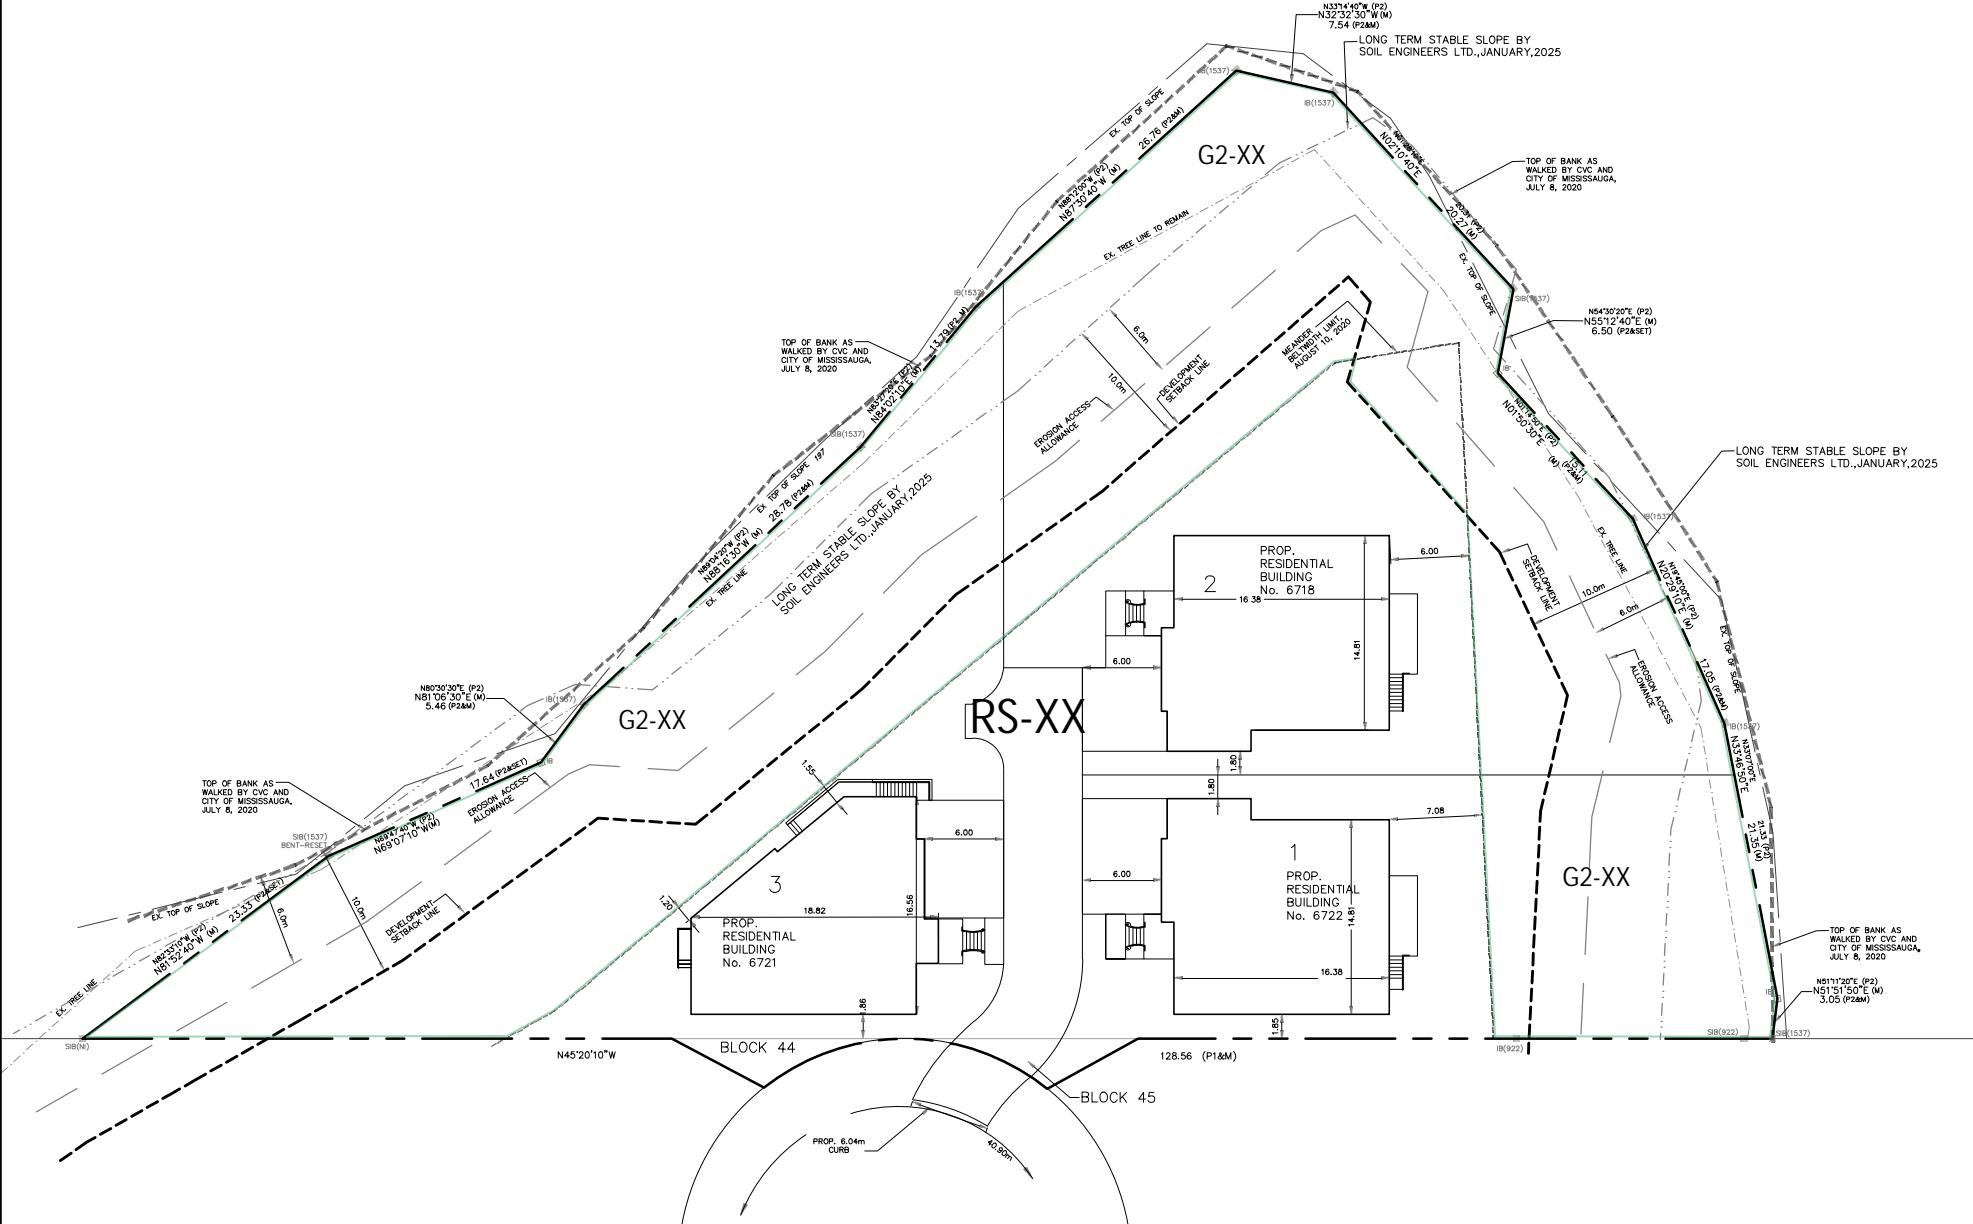

The effect of this By-law is to:

- Establish **site-specific standards** for Lots 1, 2, and 3 within the RS-XXX Exception Zone. While the majority of the proposed development complies with the RS Zone requirements, exceptions are required for:
 - Lot 2 frontage (8.17 m, whereas 9.75 m is required).
 - Rear yard setbacks for Lots 1 (5.15 m) and 2 (4.13 m, both less than the 7.0 m standard).
 - Interior side yard for Lot 3 (1.27 m on one side, less than the 1.2 m / 0.61 m standard).
 - Maximum flat roof height, increased to 12.5 m (from 7.5 m) to accommodate modern architectural design.
- Apply a **Holding (H) provision**, requiring land dedications, a Development Agreement, and Consent to Sever with mutual access easement prior to the removal of the Holding Symbol.
- Zone the **Long Term Stable Slope area** to G2-xx (Greenlands Zone), consistent with By-law 0225-2007, and require a **10.0 metre development setback** with no encroachments permitted for the Development Setback Line.

Location of Lands Affected

East side of Longview Place, South of Derry Road West, in the City of Mississauga, as shown on the attached map designated as Schedule “A”.
