

Notice of Study Commencement and Public Information Centre #1

Old Derry Road and Old Creditview Road

The Study

The City of Mississauga has initiated a Municipal Class Environmental Assessment (Class EA) study for Old Derry Road and Old Creditview Road between Creditview Road and Second Line West. The study area is shown in Figure 1.

The purpose of the study is to develop a range of corridor improvement options that address the condition of municipal infrastructure and prioritize the safety of all road users.

The study will examine and confirm the need for pavement rehabilitation, safety improvements, active transportation facilities, and the rehabilitation or replacement of the existing bridge structures over Levi's Creek and the Credit River.

This project will support the City's Vision Zero Action Plan (2021), Complete Streets Guide (Draft, 2022), Pedestrian Master Plan (2021), and Cycling Master Plan (ongoing update).

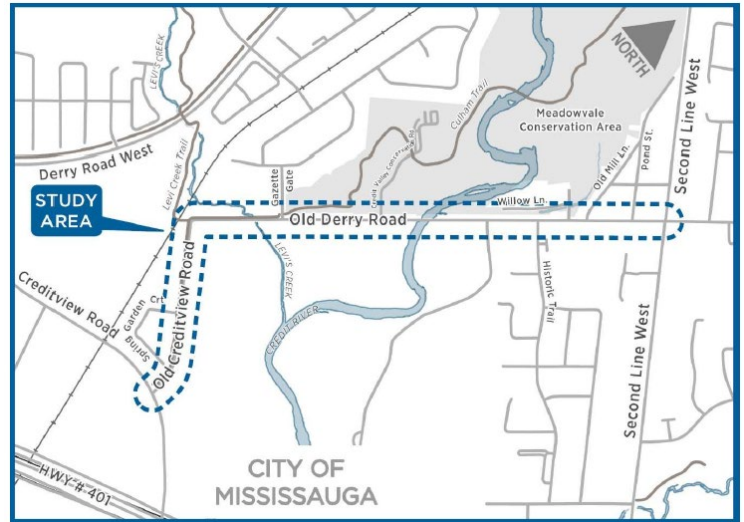

Figure 1: Study Area

The Process

The Class EA study has been initiated as a Schedule B project in accordance with the *Municipal Class Environmental Assessment* (2024), which is a planning and design process approved under the Ontario *Environmental Assessment Act*. The study will identify problems or opportunities and evaluate alternative solutions considering the potential effects on the natural, social, cultural, and economic environment. Two Public Information Centres are planned at key milestones to share study updates and invite public comments.

Have Your Say

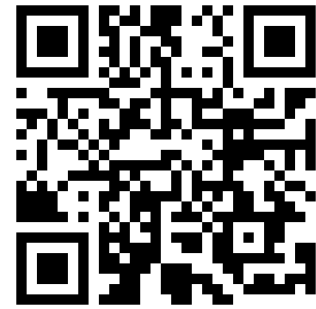

The City of Mississauga is planning the first Public Information Centre to introduce the Class EA study and to gather input on the existing conditions, needs, opportunities, and alternative solutions for the study area.

Public Information Centre #1 will be held:

Date: Wednesday, May 27, 2026

Time: 6:30 - 8:30pm (Drop In)

Location: Levi Creek Public School, Gymnasium,
1525 Samuelson Circle, Mississauga

Information displayed at the Public Information Centre will also be available on the study website at: Mississauga.ca/OldDerryEA.

Written comments on the information displayed at the Public Information Centre are requested by **June 10, 2026**. Comments may be provided in person at the Public Information Centre, or by mail or email to one of the Project Team members listed below.
