NOTICE OF PASSING OF AN OFFICIAL PLAN AMENDMENT
Subsection 17(24) of the Planning Act

Date of Notice	June 18, 2026
OPA Number	OPA 1 (By-law 0095-2026)
Date Passed by Council	June 10, 2026
Last Day to Appeal	July 8, 2026
File Number	CD.02-MIS Wards 1, 3, 4, 5, 7, 8, 10 and 11
Applicant	City of Mississauga
Property Location	The lands affected by this Amendment are located in multiple Character Areas of MOP 2051.

A decision was made on the date noted above to approve Official Plan Amendment Number 1 to the Mississauga Official Plan for the City of Mississauga as adopted by By-law 0095-2026. Council has considered the written and oral submissions from the public on this matter.

THE PURPOSE AND EFFECT

This is an omnibus amendment intended to transition previously considered amendments to the Mississauga Official Plan (MOP) and Ontario Land Tribunal (OLT) decisions into the new Mississauga Official Plan 2051 (MOP 2051). These amendments were not part of Council adopted MOP 2051.

A copy of By-law 0095-2026 adopting this Amendment is attached.

When the decision is final

The proposed official plan amendment is exempt from approval by the Minister of Municipal Affairs and Housing. The decision of the City of Mississauga is final if a Notice of Appeal is not received on or before the last date of appeal noted above.

IF YOU WISH TO APPEAL, a copy of an appeal form is available from the Ontario Land Tribunal (OLT) website at <https://olt.gov.on.ca/>. An appeal may be filed using the OLT e-file service <https://olt.gov.on.ca/e-file-service/> (first-time users will need to register for a My Ontario Account) by selecting **Mississauga (City): Clerk and Secretary–Treasurer** as the Approval Authority. Alternatively, you may submit an appeal to the City Clerk in person or by registered mail/courier addressed to the City Clerk, City of Mississauga, Attention: Diana Rusnov, 300 City Centre Drive, Mississauga, ON L5B 3C1 no later than **4:30pm** on **July 8, 2026**. The filing of an appeal after 4:30pm will be deemed to have been received the next business day. If the e-file service is down, you can submit your appeal to city.clerk@mississauga.ca. An appeal will be processed once all fees are received.

Who can file an appeal

Only the applicant, the Minister, or an owner of land affected by the planning application, a specified person or a public body who made written or oral submissions to the Council of the

City of Mississauga prior to Council's decision may appeal a decision of the City of Mississauga to the Ontario Land Tribunal.

No person or public body shall be added as a party to the hearing of the appeal unless, before the official plan amendment was adopted, the person or public body made oral submissions at a public meeting or written submissions to the Council of the City of Mississauga or, in the opinion of the Ontario Land Tribunal, there are reasonable grounds to add the person or public body as a party.

The Notice of Appeal must:

1. set out the reasons for the appeal and the specific part of the proposed official plan amendment to which the appeal applies;
2. be accompanied by the fee prescribed under the *Ontario Land Tribunal Act* in the amount of \$1,100.00 per application, payable to the Minister of Finance. Payment can be made directly to the OLT if using the e-file service to file an appeal or by certified cheque or money order if filing with the City Clerk. (An appellant may [request a reduction of the filing fee](#) to \$400.00. The request for a reduction of the filing fee must be made at the time of filing the appeal. For more information and a copy of the OLT Fee Schedule go to <https://olt.gov.on.ca/appeals-process/fee-chart/>.)
3. include the processing fee prescribed under the User Fees and Charges By-law in the amount of \$338.74 per application, payable by certified cheque to the City of Mississauga. This fee must be paid directly to the City of Mississauga in person, or by mail/courier, in addition to the OLT fee (Minister of Finance).

Additional Information

A copy of the Official Plan Amendment in its entirety can be found on the City's website at www.mississauga.ca/portal/cityhall/publicnotices

Further information regarding this Amendment may be obtained from **Amina Menkad** of the City Planning and Building Department at 905-615-3200 ext. **5545**.

Amendment No. 1
to
Mississauga Official Plan 2051

By-law No. 0095-2026

A by-law to Adopt Mississauga Official Plan 2051 Amendment No. 1

WHEREAS in accordance with the provisions of sections 17 or 21 of the *Planning Act*, R.S.O. 1990, c.P.13, as amended, ("*Planning Act*") Council may adopt an official plan amendment thereto;

AND WHEREAS in accordance with O Reg 525/97, an official plan amendment is exempt from the approval of the Minister of Municipal Affairs and Housing;

AND WHEREAS, Council desires to adopt certain amendments to Mississauga Official Plan 2051 regarding policy changes and mapping modifications within the City of Mississauga (Omnibus Amendment) to transition previous amendments to the Mississauga Official Plan (MOP) and Ontario Land Tribunal (OLT) decisions into the new Mississauga Official Plan 2051 (MOP 2051);

NOW THEREFORE the Council of The Corporation of the City of Mississauga ENACTS as follows:

1. The document attached hereto, constituting Amendment No. 1 to Mississauga Official Plan 2051, is hereby adopted.

ENACTED and PASSED this 10th day of June, 2026.

Amendment No. 1
to
Mississauga Official Plan 2051

The following text and Schedule A attached constitute Amendment No. 1.

Also attached but not constituting part of the Amendment are Appendices I and II.

Appendix I is a description of the Public Meeting held in connection with this Amendment.

Appendix II is a copy of the Planning and Building Department report dated April 22, 2026, pertaining to this Amendment.

PURPOSE

This is an omnibus amendment intended to transition previously considered amendments to the Mississauga Official Plan (MOP) and Ontario Land Tribunal (OLT) decisions into the new Mississauga Official Plan 2051 (MOP 2051). These amendments were not part of Council adopted MOP 2051.

LOCATION

The lands affected by this Amendment are located in multiple Character Areas of MOP 2051, as indicated in Schedule "A" of this amendment.

BASIS

MOP 2051 came into effect on March 24, 2026, as approved with modifications by the Minister of Municipal Affairs and Housing (MMAH).

Now that MOP 2051 is largely in effect, it is appropriate to bring forward the previously considered amendments to MOP and OLT decisions.

DETAILS OF THE AMENDMENT AND POLICIES RELATIVE THERETO

MOP 2051 is hereby amended by making changes to policies, schedules and maps as indicated in the attached Schedule "A".

IMPLEMENTATION

Upon the approval of this Amendment by the Council of the Corporation of the City of Mississauga, Mississauga Official Plan 2051 will be amended in accordance with this Amendment.

The lands may be rezoned to implement this Amendment.

This Amendment has been prepared based on the Office Consolidation of Mississauga Official Plan 2051 dated March 24, 2026.

INTERPRETATION

The provisions of Mississauga Official Plan 2051, as amended from time to time regarding the interpretation of that Plan, will apply in regard to this Amendment.

This Amendment supplements the intent and policies of Mississauga Official Plan 2051.

	Section 14.2.4.8, Urban Form and Design, Precincts, of Mississauga Official Plan, is hereby amended by adding the following and renumbering the subsequent policies: 14.2.4.8.8 Taller buildings set back from Lakeshore Road East may be connected to mid-rise buildings fronting Lakeshore Road East, provided they are set back a minimum of 25 metres. 14.2.4.8.9 Buildings fronting onto Lakeshore Road East are to have their street wall setback a minimum of 6 metres from the Lakeshore Road East property line. 14.2.4.8.10 Driveways constructed onto Lakeshore Road East are to be shared, where feasible, and designed for future conversion to pedestrian walkways, with the driveways onto Lakeshore Road East closed once access to Street 'L' is available. 14.2.4.8.11 The Peel District School Board (PDSB) has identified the need for a public school within the Rangeview Estates Precinct. Through the development application review process, the PDSB will advise the City and the landowner whether a school will be required as part of such application.	None

Change #	Proposed MOP 2051 Amendments	Schedule/Map Changes
	Until such time as the PDSB has satisfied itself that the vertical integration of a school within a mixed use building is a feasible option, PDSB's compact urban school model contemplates a stand-alone school building on an approximate 4 acre site. For the purposes of this policy, the term "mixed use" refers to a building that is designed to provide for a school above which are residential units and counts towards any non-residential requirement of the applicable designation. A school does not count towards the maximum height, except when located adjacent to Lakeshore Road East. 14.2.4.8.12 Development within the Rangeview Estates Precinct is encouraged to connect all buildings to a district energy system and/or on-site renewable energy source, if available at costs comparable to other energy sources.	
	14.2.4.10 Land Use Designations, Mixed Use, of Mississauga Official Plan, is hereby amended by adding the following: 14.2.4.10.5 In addition to the Mixed-Use policies of this Plan, the following will apply:	None

Change #	Proposed MOP 2051 Amendments	Schedule/Map Changes
	a. residential uses shall not be permitted on the ground floor frontage of buildings along Lakeshore Road East between Lakefront Promenade and Jim Tovey Boulevard, with exceptions for: i. residential lobby up to 25% of the front wall; ii. a combination of residential lobby and private amenity space up to 30% of the front wall.

PUBLIC MEETING RECOMMENDATION REPORT (ALL WARDS) – Mississauga Official Plan 2051 (MOP 2051) – Provincial Modifications and “Housekeeping” Amendments

Recommendation

That the proposed amendments to Mississauga Official Plan 2051 (MOP 2051), as detailed in the report dated April 22, 2026 from the Commissioner of Planning and Building be approved in accordance with the following:

1. That the necessary official plan amendment by-laws in substantial conformance with Appendix 3 and Appendix 4 be enacted at a future City Council Meeting.
2. That notwithstanding planning protocol, the report regarding proposed amendments to MOP 2051 be considered both the public meeting and combined information and recommendation report.

Executive Summary

- Mississauga Official Plan 2051 (MOP 2051) was adopted by Council on April 16, 2025, and subsequently submitted to the Ministry of Municipal Affairs and Housing (MMAH) for review and approval. It was approved on March 24, 2026.
- MMAH approval of MOP 2051 included 44 modifications. These modifications mainly relate to:
 - Conformity with provincial priorities and policies.
 - Increases to heights in select areas along the Hurontario LRT and Dundas Corridors.
 - Deferral of ministerial decision as it relates to 1403–1425 Dundas Street East which is in a Special Policy Area (for flooding).

- A consolidation of MOP 2051 which includes the above-noted 44 modifications has been completed.
- During MOP 2051 review by MMAH, 19 amendments to the in-force Mississauga Official Plan (MOP) were completed. These amendments included Council approved development applications and Ontario Land Tribunal decisions. These amendments now need to be transitioned into MOP 2051 through this report and implementing by-laws that will go to Council.
- Additionally, revisions to MOP 2051 were identified as necessary to ensure development on “Mixed Use Limited” designated lands along Dundas Street results in mixed use complete communities by integrating “Mixed Use” policies.

Background

Mississauga Official Plan 2051 (MOP 2051) outlines a comprehensive land use policy framework to guide growth and development within the City to the year 2051. MOP 2051 includes policies that: establish growth management; provide for a wide range of housing and transportation options; plans for infrastructure and servicing; protects the natural heritage system and water resources; and other matters. MOP 2051 aligns with the City’s vision, plans and strategies and implements many of the recommendations of the Mayor’s Housing Task Force report.

MOP 2051 was adopted by Council on April 16, 2025, and subsequently submitted to the Ministry of Municipal Affairs and housing (MMAH) for review and approval. It was approved on March 24, 2026 with 44 modifications (see Appendix 1). These modifications, which can be found in Appendix 2, aim to align MOP 2051 with provincial priorities and policies.

Comments

MOP 2051 Ministerial Modifications

Overall, the number and extent of provincial modifications are relatively limited considering the new Official Plan’s substantial policy scope. The 44 modifications address these 3 main areas:

1. Provincial priorities, directions and plans:

The majority of modifications seek to align MOP 2051 with various provincial policy directions through the following:

- Changes to environmental policies to align with recent provincial changes related to municipal green building and development standards (e.g. using “encourage” instead of “will”).
- Modifications to affordable housing and inclusionary zoning to implement recently updated regulations or to soften requirements for below-market and affordable housing.

- Stronger study area policies for the future Highway 413 and the Greater Toronto Area Transmission Corridor (along the northwestern City boundary).
- Increased protection of hospital helipad flight paths (e.g. new height maximum for the Hospital Growth Node and added requirements for future development to consult with Trillium Health Partners).

2. Height Increases:

Height increases from a maximum of 25 storeys to a maximum of 35 storeys were made for 3 properties in Protected Major Transit Station Areas (PMTSA) along the Hurontario LRT and Dundas BRT Corridors. The affected properties are: 2300 Confederation Parkway, 2170 Sherobee Road and 189 Dundas Street West. These changes were made to schedules 8F and 8L as shown in Appendix 2.

3. A decision deferral:

A decision on the Official Plan as it applies to the lands at 1403–1425 Dundas Street East has been withheld and will be made at a future date (Appendix 1). These lands are currently within the provincially designated Dixie-Dundas Special Purpose Area (SPA), which is an area in the flood plain. Site-specific policies, approved by both the Ministers of Natural Resources and Forestry and Municipal Affairs and Housing, are intended to provide for the continued viability of existing uses and address the potential for development.

An Environmental Assessment study and preliminary design for the Dixie-Dundas SPA were both completed in 2024. Detailed design work, land acquisition and early construction work including utility relocations are currently underway with the intent to improve flooding conditions. Primary construction works are anticipated to begin in 2027.

MOP 2051 Developer-Initiated Amendments

Between MOP 2051 adoption by Council on April 16, 2025, and ministerial approval on March 24, 2026, 19 amendments representing development applications and Ontario Land Tribunal (OLT) decisions were finalized. These Council-approved applications and OLT decisions were intended to amend the then in-force official plan, Mississauga Official Plan. However, since MOP 2051 has become the new in-force official plan, it is necessary to transition these amendments into MOP 2051 via a “technical” omnibus amendment package. The list of these amendments (policies and corresponding maps) is found in Appendix 3.

MOP 2051 City-Initiated Amendment

Updates to “Mixed Use Limited” Policies

Mixed Use Limited designated lands are located exclusively along Dundas Street and are part of the Dundas Street Intensification Corridor. These lands are shown in purple in the following maps.

 Mixed Use Limited

**Lands designated Mixed Use Limited,
Located along:**

- 1- **Above:** Dundas St. E, between Southcreek Rd and Hansall St.
- 2- **Left:** Dundas St. W., between Mavis Rd. and Wolfdale Rd.
- 3- **Below:** Dundas St. W, between Fifth Line West and Vega Blvd.

As part of the Dundas Street Intensification Corridor, these lands are envisioned to transform over time into a dynamic, urban, mixed-use corridor with multiple options for mobility including walking, cycling, and rapid transit.

These lands were identified for future mixed-use development that may permit sensitive uses (including residential) once compatibility requirements with existing industry have been achieved. The list of permitted uses for Mixed Use and Mixed Use Limited lands are the same –

the only difference is that land use compatibility must be demonstrated first when sensitive uses are proposed on Mixed Use Limited lands.

In order to guide future development of Mixed Use Limited designated lands, an amendment is proposed to clarify that the Mixed-Use policies apply to these lands should sensitive uses be deemed to be appropriate. This proposed amendment is found in Appendix 4.

Financial Impact

There are no financial impacts resulting from the recommendations in this report.

Conclusion

MOP 2051 represents the result of a fulsome and detailed city-wide land use study supported by a strong engagement strategy. Its approval by the Minister with a limited number of changes speaks to the strength of its policies and their alignment with provincial priorities.

The proposed “housekeeping” amendments will further complete MOP 2051 by integrating development applications and OLT decisions finalized during its review by MMAH, and clarifying the Mixed Use Limited policies of the Plan. These proposed amendments may still undergo modifications to address numbering, grammatical errors and other minor corrections as part of final formatting for future Council approval.

File No.: By-law 0069-2025
Municipality: City of Mississauga
Subject Lands: All lands within the City of Mississauga

Date of Decision: March 24, 2026
Date of Notice: March 24, 2026

NOTICE OF DECISION

With respect to an Official Plan
Subsection 17(34) of the *Planning Act*

A decision was made on the date noted above to modify and approve, the City of Mississauga Official Plan 2051, as adopted by By-law 0069-2025, subject to forty-four (44) modifications.

Purpose and Effect of the Official Plan

The approval of the City of Mississauga Official Plan 2051 as modified, repeals and replaces the in-effect official plan that was adopted by the City in 2002 and approved by Region of Peel in 2003, including all amendments thereto.

The approved City of Mississauga Official Plan 2051 outlines a comprehensive land use policy framework to guide growth and development within the City to the year 2051 and includes policies that: establish growth management; provide for a wide range of housing options and transportation options; plans for infrastructure and servicing; protects the natural heritage system and water resources; protects the agricultural system; and other matters.

The forty-four (44) modifications to the official plan have been made to address provincial policy direction, changes to upper-tier planning authority, growth management, affordable housing and inclusionary zoning, water and wastewater servicing, the natural heritage system, wetlands, protect hospital flight paths, aggregate extraction and operations, and to ensure that the Highway 413 Focused Analysis Area and the Northwest Greater Toronto Area Transmission Corridor Narrowed Area of Interest are being planned for and protected.

A decision on the Official Plan as it applies to the lands at 1403–1425 Dundas Street East has been withheld and will be made at a future date.

The new official plan applies to all lands within the City of Mississauga.

Decision Final

Pursuant to subsections 17(36.5) and (38.1) of the Planning Act, the decision of the Minister of Municipal Affairs and Housing is final and not subject to appeal. Accordingly, the City of Mississauga Official Plan 2051, as modified and approved by the Minister, came into effect on March 24, 2026.

			Section 14.2.4.8, Urban Form and Design, Precincts, of Mississauga Official Plan, is hereby amended by adding the following: 14.2.4.8.8 Taller buildings set back from Lakeshore Road East may be connected to mid-rise buildings fronting Lakeshore Road East, provided they are set back a minimum of 25 metres. 14.2.4.8.9 Buildings fronting onto Lakeshore Road East are to have their street wall setback a minimum of 6 metres from the Lakeshore Road East property line. 14.2.4.8.10 Driveways constructed onto Lakeshore Road East are to be shared, where feasible, and designed for future conversion to pedestrian walkways, with the driveways onto Lakeshore Road East closed once access to Street 'L' is available. 14.2.4.8.11 The Peel District School Board (PDSB) has identified the need for a public school within the Rangeview Estates Precinct. Through the development application review process, the PDSB will advise the City and the landowner whether a school will be required as part of such application. Until such time as the PDSB has satisfied itself that the vertical integration of a school within a mixed use building is a feasible option, PDSB's compact urban school model contemplates a stand-alone school building on an approximate 4 acre site. For the purposes of this policy, the term "mixed use" refers to a building that is designed to provide for a school above which are residential units and counts towards any non-residential requirement of the applicable designation. A school does not count towards the maximum height, except when located adjacent to Lakeshore Road East.	None

Chapter 10: Policies applicable to Mixed Use Limited Designated Lands

10.2.9 Mixed Use Limited

10.2.9.1 Lands designated Mixed Use Limited will permit all uses within the Mixed Use Designation, except sensitive land uses including residential.

10.2.9.2 The following additional uses will be permitted:

- a. banquet hall;
- b. media broadcast and communication facilities;
- c. commercial school, except for a truck driving school;
- d. conference centre; and
- e. entertainment, recreation and sports facilities.

10.2.9.3 Notwithstanding the policies of this Plan, existing drive-through facilities will be permitted as they existed on the day these policies come into effect.

10.2.9.4 Residential uses and other sensitive land uses may be permitted without amendment to this Plan where the use:

- a. is appropriate in accordance with the policies of this Plan;
 - b. is appropriately designed, buffered and/or separated from Employment Areas and/or major facilities;
 - c. is not impacted by adverse effects from air, vibration, noise, dust, odour and other fugitive emissions;
 - d. does not pose a risk to public health and safety;
 - e. prevents or mitigates negative impacts and minimizes the risk of complaints;
 - f. has regard for City land requirements relating to hazard land identified through flood mitigation studies;
 - g. does not compromise the ability of existing nearby employment uses to comply with environmental approvals, registrations, legislations, regulations and guidelines;
- and

h. permits adjacent Employment Areas to be developed for their intended purpose.

10.2.9.5 The introduction of sensitive land uses, such as residential, should not negatively impact the continued viability of existing nearby businesses and industries.

10.2.9.6 Lands designated Mixed Use Limited where sensitive land uses, such as residential, have been permitted in keeping with 10.2.9.4 and 10.2.9.5 are subject to the Mixed Use designation policies.

10.2.9.67 Development on lands within a floodplain, will not be permitted prior to the completion of City-initiated flood studies and the construction of recommended mitigation measures where necessary.

10.2.9.78 A holding provision may be placed on lands where the ultimate desired use of the lands is specified but development cannot proceed until conditions set out in this Plan, or in an implementing by-law, are satisfied.

10.2.9.89 Conditions to be met prior to the removal of a holding provision, include but are not limited to the following:

- a. acceptance of compatibility assessments, as identified by the City;
- b. acceptance of flood mitigation recommendations; and
- c. all flood remedial works are complete and deemed functional to the satisfaction of the City, conservation authority, the Province and other regulatory bodies.
