The report must be done in accordance with generally accepted auditing standards and must:

- set out the scope of the examination
- provide an opinion as to the completeness and accuracy of the financial statement and whether it is free of material misstatement

Report is attached

Personal information, if any, collected on this form is obtained under the authority of sections 88.25 and 95 of the *Municipal Elections Act, 1996*. Under section 88 of the *Municipal Elections Act, 1996* (and despite anything in the *Municipal Freedom of Information and Protection of Privacy Act*) documents and materials filed with or prepared by the clerk or any other election official under the *Municipal Elections Act, 1996* are public records and, until their destruction, may be inspected by any person at the clerk's office at a time when the office is open. Campaign financial statements shall also be made available by the clerk in an electronic format free of charge upon request.

**Independent Auditor's Report**

To the Office of the City Clerk, City of Mississauga

**Qualified Opinion**

We have audited the Financial Statement-Form 4 of Stephen Dasko, Candidate for Ward 1, City of Mississauga, for the campaign period from May 02, 2022 to December 31, 2022, relating to the election held on October 24, 2022, including Box C: Statement of Campaign Income and Expenses and Box D: Calculation of Surplus or Deficit. The financial information has been prepared by Stephen Dasko, the Candidate, based on the financial reporting provisions of Section 88.22 of the Municipal Elections Act, 1996.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the financial statements present fairly, in all material respects, the income and expenses of the Candidate for the campaign period from May 02, 2022 to December 31, 2022, and the calculation of surplus or deficit in accordance with the accounting treatment described by Section 88.22 of the Municipal Elections Act, 1996.

**Basis for Qualified Opinion**

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of good and services, and receipts and disbursements. Accordingly, our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of Stephen Dasko, Candidate, in accordance with the accounting procedures established by the Municipal Elections Act, 1996 and we were not able to determine whether any adjustments might be necessary to income and expenses and surplus/deficit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibility for the Audit of the Financial Statements* section of our report. We are independent of the campaign in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter- Basis of Accounting and Restriction on Distribution and Use**

The financial statements are prepared to assist the Candidate in complying with the financial reporting provisions of Section 88 of the Municipal Elections Act, 1996. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Candidate and the Office of the City Clerk, City of Mississauga and should not be distributed to or used by parties other than the Candidate or the Office of the City Clerk, City of Mississauga. Our opinion is not modified in respect of this matter.

### **Responsibilities of the Candidate for the Financial Statements**

The Candidate is responsible for the preparation and fair presentation of these financial statements in accordance with Section 88.25 of the Municipal Elections Act, 1996, and for such internal control as the Candidate determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Candidate's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and the related disclosures made by the Candidate.
4. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Candidate regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
