

Household Object Drawing

Find an object in your house that inspires you to use that object in a drawing. It can be any object and any drawing!

Examples:

- Using keys to create a drawing of birds
- Using a binder clip to create a drawing of a butterfly

Time to complete: 20 - 30 minutes

Age Group: 4yrs+

Materials:

- Found objects in the house (food, loose parts, etc.)
- Paper
- Pencil/Marker/Pencil Crayons

Instructions:

1. Find an object around your house
2. Place it onto your paper
3. Create a drawing that involves the object
4. If you like, trace around the object to complete your drawing for display.
