8 Waste Tips for Greener Days

TIP#1: Always put your trash in the proper container. If you are not sure where it goes, check wheredoesitgo.ca for the right information

TIP#2: Use a litter bag in your vehicle

TIP#3: Use reusable and refillable drink containers

TIP#4: Reduce and reuse as much as you can before recycling

TIP#5: Support community cleanups, recycling programs, legislation and other efforts to reduce litter

TIP#6: Get support from your neighbourhood. Successful litter control must be a continuous, ongoing effort that involves the entire community. Organize a committee to develop a plan of action

TIP#7: Set a good example to others and don't be a Litterbug!

TIP#8: Compost your food and yard waste

Waste Resources for Adults & Kids

Check out these resources and programs to be part of the change!

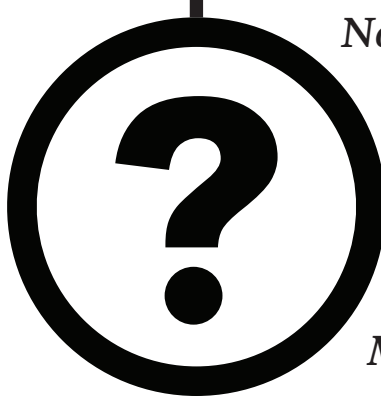

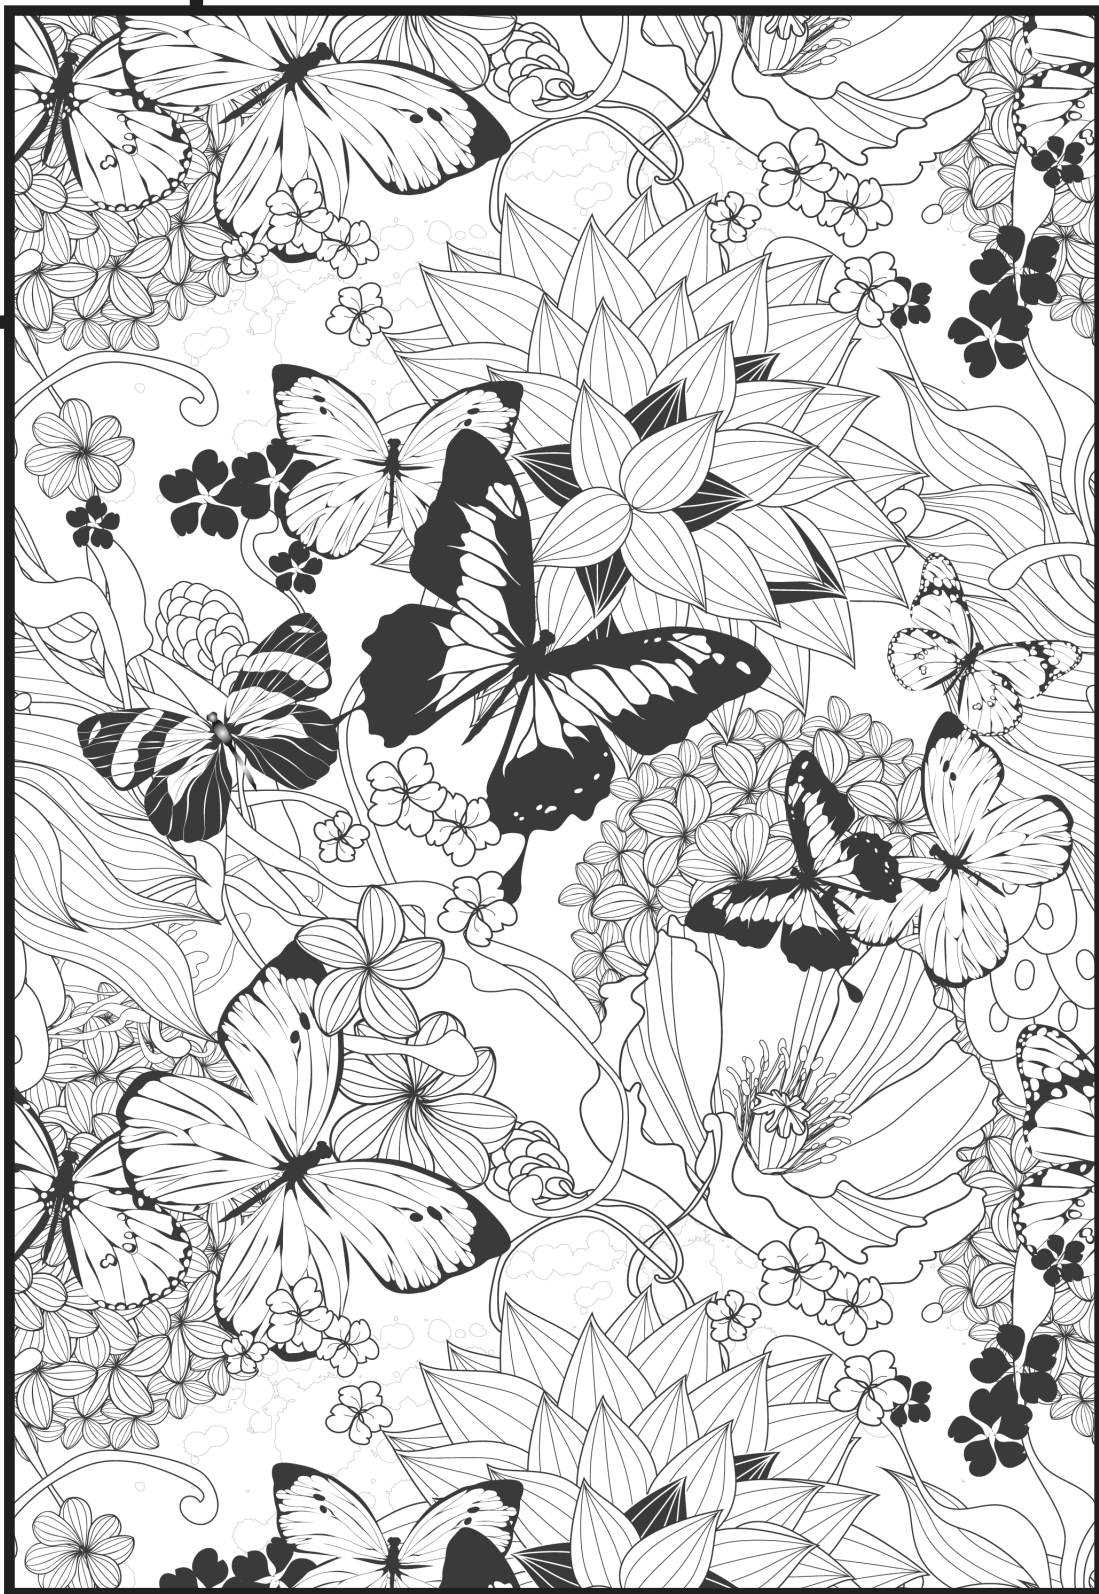

Adopt-a-Street Program

Keeping roadsides free of garbage and debris is one way the City of Mississauga is creating healthy communities. *Adopt-a-Street* is a public service program enabling the participants to pick up litter along certain roadways with City support. *Adopt-a-Street* is also a chance for environmentally conscious citizens to make a personal contribution to a cleaner environment.

Adopt-a-Park Program

Adopt-a-Park is a city-sponsored program which encourages participants to pick up litter in public parks and create healthy communities within our city. Adopting a park also allows organizations, communities and neighbourhoods to become a "Don't be a Litterbug" leader through the adoption of parks.
