

Flower Craft

Using items found around the house, create a beautiful flower project.

Time to complete: 1.5 hrs. +

Age Group: 7+yrs. (parent supervision may be needed)

Materials:

- Canvas or thick cardboard (5x7 or 8x10 works well)
- Craft paint
- Paintbrush, sponge, fingers
- Material for flowerpot base (scrap material, foam, popsicle sticks- get creative)
- Small twigs for stems
- Orange, lemon or lime
- Glue (glue gun is ideal)

Instructions:

1. Paint the canvas or cardboard background
2. Use any colour or painting technique
3. Peel a citrus fruit. Shape the pieces into petals (parent supervision when using peeler or knife)
4. Take the material for the flowerpot base and shape it if required
5. When the background is dried, glue the base on.
6. Arrange the fruit peel petals into a flower design. Glue them to the background.
7. Add the twigs for the flower stems.
8. Enjoy a delicious fruit snack or fruity water with the leftover fruit while you enjoy your masterpiece.
