

# Pancake Cereal

Try it yourself! Homemade Pancake Cereal is a new trend, where the mini pancakes become actual pieces of cereal.

**Time to complete:** 20 minutes

**Age Group:** 10yrs+

## Ingredients:

- Your favourite Pancake Mix and ingredients required or make your favourite homemade recipe
- Toppings to taste - Optional
  - Fruit
  - Milk
  - Maple Syrup
- Food colouring - Optional (to change colour of pancake cereal)
- Sprinkles - Optional (if you want to make funfetti pancake cereal)

## Materials:

- Medium Bowl (or multiple small bowls if you are using food colouring)
- Measuring Cup
- Teaspoon / Tablespoon
- Mixing Spoon or Whisk
- Frying Pan or Griddle
- 1 Squeeze Bottle or 1 Medium-Size Plastic Baggie (for each colour of pancake mix)
- Scissors (for baggie)

## Instructions:

1. Prep your pancake mix. You can use boxed mixes or batter made from scratch.
  - a. You can add food colouring to the pancake mix to have fun colourful pieces.
  - b. Add sprinkles to the batter if you want to make funfetti pancake cereal.
2. Pour pancake batter into your squeeze bottle or medium-size plastic baggie and carefully snip a tiny piece off the bottom corner of the bag.
  - a. 1 squeeze bottle or plastic baggie per colour.
3. Heat a non-stick frying pan or griddle on medium high heat.
4. When frying pan or griddle is ready, use the squeeze bottle or plastic baggie with pancake batter to dab quarter sizes of batter onto the frying pan or griddle.
5. Cook for less than 30-seconds until small bubbles start to form. Flip the pancakes and after a few seconds, transfer pancake cereal to a plate or dish for serving.
6. Try your pancake cereal in a bowl with maple syrup, try it with milk in the bowl, or add in fruit.
