

# Peanut Butter S'mores

A decadent take on campfire S'mores

**Time to complete:** 5 min prep, depends on what you use to melt the marshmallow

**Age Group:** 7yrs+ (or younger with help)

## Ingredients:

- 8 large chocolate chip cookies
- 4 teaspoons hot fudge ice cream topping
- 4 large marshmallows
- 4 peanut butter cups

## Instructions:

yields: 4 servings

1. Spread the bottoms of four cookies with fudge topping.
2. Using a long-handled fork, grill marshmallows 6 in. from medium-hot heat until golden brown, turning occasionally. Carefully place a marshmallow and a peanut butter cup on each fudge-topped cookie; top with remaining cookies. Serve immediately

If you don't have a campfire to roast your marshmallows over, the microwave is another way to soften marshmallows. You may want to experiment with the perfect softening time needed to create the perfect S'more.
