

The big egg rescue

Rescue the plastic eggs from the bin by scooping up one and bringing it out without it falling or touching the tape!

Time to complete: 10 – 20 min.

Age Group: 3 yrs. +

Materials:

- Large bin/bowl
- Plastic coloured eggs
- Painters tape
- Large spoon/ladle

Instructions:

1. Place your plastic eggs into the bin/bowl.
2. Use your painters tape to create abstract lines going in any direction on top of the bin.
3. Using your large spoon/ladle, see how many plastic eggs you can take out of the bin/bowl without the egg falling or touching the painters tape.
